# TWO MODELS, SIMPLE OR ADJUSTABLE.

We called our furniture simply BETTER, simply because it is better! Its simplicity in construction, its minimalistic beauty and design and the practical shapes makes BETTER the essential part of the workspace to create simple and distinct working surfaces. BETTER is the reference standard when functional and institutional specifications are concerned. BETTER simply fits at any space.

BETTER **I** functionality combined with efficient use of material bringing a high quality-price ratio

a funcionalidade combinada com o uso eficiente de material trazendo uma relação qualidade-preço
